

How many pennies are on your payslip this month?

Why not donate them to the North Hampshire Medical Fund to help us raise funds for specialist equipment for your hospital?

- You simply round down your pay to the nearest pound. For example, if your net pay was £500.24 then 24p would be donated to provide the best possible medical equipment for your hospital
- The most you could donate in a pay period would be 99p!
- Simply complete the form below or sign up online at www.nhmedicalfund.org/rounditup

* Gift Aid – You can boost your donation by 25p for every £1 you donate by allowing Gift Aid to be reclaimed on your donation (this costs you nothing). By doing so you understand that if you pay less Income Tax and/or Capital Gains Tax in the current tax year than the amount of Gift Aid claimed on all your donations it is your responsibility to pay any difference. By agreeing to the charity reclaiming Gift Aid on your donations you agree for your employer to provide the charity with your name and address for this purpose only.

I am not a UK taxpayer

Please return your completed form to the North Hampshire Medical Fund’s office on B Floor- adjacent to the Post Room or email it over to medicalfund@hhft.nhs.uk
